INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TRANSIENT WORKERS COUNT TOO

Our opinion

We have audited the financial statements of Transient Workers Count Too (the "Charity"), which comprise the statement of financial position as at 31 December 2019, and the statement of financial activities and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act, Chapter 311 (the Societies Act), the Charities Act, Chapter 37 (the "Act") and other relevant regulations (the Charity Act and Regulation) and Charities Accounting Standards ("CAS") so as to present fairly, in all material respects, the statement of affairs of the Charity as at 31 December 2019 and the results, changes in funds and cash flows of the Charity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Charity in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements of the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the Management Committee's Statement but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TRANSIENT WORKERS COUNT TOO (CONTINUED)

Responsibilities of Management and those charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Societies Act, the Charities Act and Regulation and CAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud and error.

In preparing the financial statements, management is responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Charity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Charity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TRANSIENT WORKERS COUNT TOO (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion:

- i) the accounting and other records required by the Charity have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations; and
- ii) the fund-raising appeal held during the period from 1 January 2019 to 31 December 2019 has been carried out in accordance with Regulation 6 of the Societies Regulations issued under the Societies Act and proper accounts and other records have been kept of the fund-raising appeal.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2019

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. General information

Transient Workers Count Too "TWC2" was registered on 12 August 2004 under the Societies Act, Chapter 311, and was charity registered under the Charities Act, Chapter 37, on 21 June 2006.

The address of its registered office and principal place of activities is located at 5001 Beach Road, #09-86, Golden Mile Complex, Singapore 199588.

The main objective of the Charity is to improve the welfare of migrant workers in Singapore.

2. Significant accounting policies

2.1 Basis of preparation

The financial statements have been prepared in accordance with Charities Accounting Standards ("CAS") and the disclosure requirements of the Societies Act (Chapter 311) and Charities Act (Chapter 37). The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

These financial statements are presented in Singapore Dollar (S\$), which is the Charity's functional currency.

The preparation of these financial statements in conformity with CAS requires management to exercise its judgement in the process of applying the Charity's accounting policies. It also requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenditure during the financial year. Although these estimates are based on Management Committee's best knowledge of current events and actions, actual results may ultimately differ from those estimates.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significance to the financial statements are disclosed in Note 3.

2.2 Income recognition

Income comprises the fair value of the consideration received or receivable for the services rendered in the ordinary course of the Charity's activities. Income is recognised as follows:

i. Donations

Donations subject to donor-imposed conditions that specify the time period in which the expenditure can take place are accounted for as deferred income and recognised as a liability until the financial period in which the Charity is allowed by the condition to expend the income.

ii. Membership fees

Membership fees are recognised when due.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2019

2. Significant accounting policies (Continued)

2.2 Income recognition (Continued)

iii. Sales

Sales of books and t-shirts are recognised when the goods sold are delivered. Sales of dinner tickets are recognised when received.

iv. Other income

Other income is recognised when received.

v. Government grant

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Government grants are offset against the costs for which they are intended to compensate, on a systematic basis over the periods necessary. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Charity with no future related costs are recognised in the statement of comprehensive income in the period in which they become receivable.

2.3 Expenditure recognition

All expenditure is accounted for on accrual basis, aggregated under the respective areas. Direct costs are attributed to the activity where possible. Where costs are not wholly attributable to an activity, they are apportioned on a basis consistent with the use of resources.

i. Cost of charitable activities

Cost of charitable activities comprises all costs incurred in the pursuit of the charitable object of the Charity. The total costs of charitable expenditure are apportioned of overhead and shared costs.

ii. Governance costs

Governance costs include the costs of governance arrangement, which relate to the general running of the Charity, providing governance infrastructure and ensuring public accountability. These costs include costs related to constitutional and statutory requirements and an apportionment of shared costs.

2.4 Plant and equipment

a) Measurement

All plant and equipment are initially recognised at cost and subsequently carried at cost less accumulated depreciation.

The cost of an item of plant and equipment includes its purchase price and any costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

NOTES TO THE FINANCIAL STATEMENTS*For the financial year ended 31 December 2019*

2. Significant accounting policies (Continued)**2.4 Plant and equipment (Continued)****b) Depreciation**

Depreciation on plant and equipment is calculated using a straight-line method to allocate their depreciable amounts over their estimate useful lives. The estimated useful lives are as follows:

	<u>Useful lives</u>
Computers	3 years
Furniture and fittings	5 years
Office equipment	5 years

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease.

The residual values and useful lives of plant and equipment are reviewed, and adjusted as appropriate, at each balance sheet date. The effects of any revision of the residual values and useful lives are included in the statement of financial activities for the financial year in which the changes arise.

Fully depreciated assets still in use are retained in the financial statements.

c) Subsequent Expenditure

Subsequent expenditure relating to plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the Charity and the cost of the item can be measured reliably. Other subsequent expenditure is recognized as repair and maintenance expenses in the statement of financial activities during the financial year in which it is incurred.

d) Disposal

On disposal of an item of plant and equipment, the difference between the net disposal proceeds and its carrying amount is taken to the statement of financial activities.

2.5 Financial assets**a) Recognition and measurement**

Other receivables, excluding prepayments, are initially recognised at their transaction price, excluding transaction costs, if any. Transaction costs will be recognised as expenditure in the statement of financial activities as incurred. Prepayments are initially recorded at the amount paid in advance for the economic resources expected to be received in the future.

Other receivables are subsequently measured at cost less accumulated impairment losses.

b) Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Charity has transferred substantially all risks and rewards of ownership.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2019

2. Significant accounting policies (Continued)

2.5 Financial assets (Continued)

c) Impairment

The Charity assesses at each reporting date whether there is objective evidence that a financial asset or a group of financial assets is impaired.

An allowance for impairment of financial assets is recognised when there is objective evidence that the Charity will not be able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments is considered indicators that the receivable is impaired. The amount of the allowance is the difference between the asset's carrying amount and the undiscounted future cash flows that the Charity expects to receive. The amount of the allowance for impairment is recognised in the statement of financial activities within "Governance and other administrative costs".

Subsequently, if the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the Charity will reverse the previously recognised impairment loss. The reversal will not result in any carrying amount of the financial assets (net of any allowance account) that exceeds what the carrying amount would have been had the impairment not previously been recognised. The amount of reversal is recognised in the statement of financial activities.

2.6 Cash and cash equivalents

Cash and cash equivalents include cash on hand, and deposits with financial institutions, which are subject to an insignificant risk of change in value. Cash and cash equivalents are carried at cost.

2.7 Financial liabilities

Financial liabilities are recognised when the Charity becomes a party to the contractual arrangements of the instrument and are classified according to the substance of the contractual arrangements entered into. All interest related charges are recognised in the statement of financial activities. Financial liabilities include "Other payables".

Financial liabilities are derecognised when the obligation under the liability are discharged, cancelled or expired. When existing financial liabilities are replaced by another from the same lender on substantially different terms of an existing liability or are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognised in the statement of financial activities.

2.8 Other payables

Other payables, excluding accruals, are recognised at their transaction price, excluding transaction costs, if any, both at initial recognition and at subsequent measurement. Transaction costs will be recognised as expenditure in the statement of financial activities as incurred. Accruals are recognised at the best estimate of the amount payable.

2.9 Provision for other liabilities and charges

Provisions for other liabilities and charges are recognised when the Charity has a present legal or constructive obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation, and the amount has been reliably estimated.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2019

2. Significant accounting policies (Continued)

2.10 Employee compensation

(a) *Defined contribution plans*

Defined contribution plans are post-employment benefit plans under which the Charity pays fixed contributions into separate entities such as the Central Provident Fund ("CPF"), on a mandatory, contractual or voluntary basis. The Charity has no further payment obligations once the contributions have been paid. The Charity's contribution to defined contribution plans are recognised as employee compensation expense when they are due.

(b) *Employment entitlement*

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the reporting date.

2.11 Operating leases

Leases of assets in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are taken to the statement of financial activities on a straight-line basis over the period of the lease. When an operating lease is terminated before the lease period has expired, any payment required to be made to the lessor by way of penalty is recognised as an expense in the period in which termination takes place.

Rental on operating lease is charged to the statement of financial activities. Contingent rents are recognised as an expense in the statement of financial activities in the financial year in which they are incurred.

2.12 Funds

Fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes, if any, by action of the Management Committee. Externally restricted funds may only be utilised in accordance with the purpose for which they are established. The Management Committee retains full control over the use of unrestricted funds for any of the Charity's purposes.

2.13 Related parties

A related party is defined as follows:

- a) A person or a close member of that person's family in related to the Charity if that person:
 - i) Has control or joint control over the Charity;
 - ii) Has significant influence over the Charity; or
 - iii) Is a member of the key management personnel of the Charity or of a parent of the Charity;

2.13 Related parties (Continued)

b) An entity is related to the Charity if any of the following condition applies:

- i) The entity and the Charity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
- ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
- iii) Both entities are joint ventures of the same third party.
- iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity;
- v) That entity is a post-employment benefit plan for the benefit of employees of either the Charity or an entity related to the Charity. If the Charity is itself such a plan, the sponsoring employers are also related to the Charity;
- vi) The entity is controlled or jointly controlled by a person identified in (a);
- vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

3. Significant accounting judgements and estimates

The preparation of the Charity's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of income, expenses, asset and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

There were no significant critical accounting estimates and assumption used, or critical judgement applied.

4. Cash and cash equivalents

	2019 S\$	2018 S\$
Cash on hand	393	1,000
Cash at bank	463,631	594,953
Fixed deposits	1,327,158	818,903
	<u>1,791,182</u>	<u>1,414,856</u>

Fixed deposits had maturity terms of 12 months (2018: 12 months) and interest rates range from 1.8% to 2.22% (2019 1.45% to 1.48%) per annum.

Long-term fixed deposits are included as cash and cash equivalents as these can be readily converted into cash without incurring significant penalty.
